

KOHLER

7000 SERIES™ 20-26 HP

KOHLER Engines

A BRAND NEW V-TWIN BEAST FOR WEEKEND WARRIORS

You want an engine as durable and fully loaded as the pros? Now you've got it with the KOHLER® air-cooled, V-twin 7000 Series™ engine. Power up your tractor or ZTR and run rings around your neighbors with pro-grade features, durable components and powerful cuts.

BUILT TO LAST

- Dual-seal air filter keeps debris out of the engine.
- Cast iron cylinder bores protect under dirty conditions.
- Pressure lubrication for long engine life.

FAST STARTS & SUPERIOR CUTS

- High-torque inertia drive starter with extra-large output for quick, reliable starting.
- Consistent-Cut™ technology provides more consistent power to your deck, helping you get the perfect cut.

PRO-GRADE PERFORMANCE

- Optional PRO Performance air, oil and fuel filters deliver maximum performance.
- Top 7000 Series models deliver more power through higher displacement* and variable-speed ignition.**

EASY MAINTENANCE

- Easy-access air filter allows for quick inspection and maintenance.
- Highlighted service points on the same side of the engine for more convenient servicing.

*Model KT745.

**Models KT740 and KT745.

| Model: | KT715 | KT725 | KT730 | KT735 | KT740 | KT745 |
|--|-----------|-----------|-----------|-----------|-----------|-----------|
| Gross Power @ 3600 rpm* Max. hp (kW) | 20 (14.9) | 21 (15.7) | 23 (17.2) | 24 (17.9) | 25 (18.6) | 26 (19.4) |
| Displacement cu in (cc) | 44 (725) | | | | | 46 (747) |
| Ignition timing | Fixed | | | | Variable | |

*Horsepower ratings exceed Society of Automotive Engineers Small Engine Test Code J1940. Actual engine horsepower is lower and affected by, but not limited to, accessories (air cleaner, exhaust, charging, cooling, fuel pump, etc.), application, engine speed and ambient operating conditions (temperature, humidity and altitude). For more information, contact Kohler Co. Engine Engineering. Kohler reserves the right to change product specifications, designs and equipment without notice and without incurring obligation.
