

# EVOLIS

Sprayers for quad bikes

From 50 to 80 litres

Steel booms from 2 to 4 metres

SPRAYERS FOR QUAD BIKES !

The EVOLIS Quad Bikes sprayer will accompany both you and your quad bike whatever the situation! What could be more practical ? In fields, on drives and even on pavements, the EVOLIS quad bike sprayer equipped with its telescopic lance and up to 4m of boom can spray efficiently and rapidly.

### EVOLIS Q 50 :

With a 50 litre capacity and fitted with a 2 section control valve capable of powering a 2 m boom as well as a lance, the EVOLIS Q 50 combines simplicity with practicality.

### EVOLIS Q 80 : a force to be reckoned with !

With its 80 litre capacity, the EVOLIS Q80 has a unique design. The robustness of the steel frame enables a 4m vertically adjustable boom to be used.

Equipped with a 12V electric pump providing a flow rate of 8 l/min through a 4 section control valve, the EVOLIS Q 80 is able to accommodate a three-section boom as well as a lance.

### Handwash tank :

Located under the main tank, this 10 litre handwash tank allows the operator to wash his/her hands in case of contamination.

### Boom : up to 4 metres!

Two boom choices are available for the EVOLIS Q80 :

- RDE 204 boom : 2 metre folding
- RDR 408 boom : 4 metre rear folding. These are adjustable in height and are fitted with an anti-drip system for quality spraying

### EVOLIS :

### 5 KEY POINTS FOR QUALITY SPRAYING !

1. A WELL - MIXED TANK !
2. EASY TO USE
3. SPRAYING QUALITY
4. UNIVERSAL AND SIMPLE TO ADJUST
5. CONVENIENCE AND EQUIPMENT

### Universal attachment

Attaching the sprayer to the quad bike carrying platform using straps, means the EVOLIS fits most quad bikes.

### Standard equipment for the EVOLIS

Polyethylene tank with level marking and sump, 12V – 8l/min electric pump, electric feed supply with switch and 5 m of cable, male/female input plugs, double filtering, glycerine pressure gauge, 1.20m telescopic lance and 5 m hose.

FEATURES	EVOLIS Q 50	EVOLIS Q 80
Tank	Polyethylene graduated marking with sump	
Tank capacity (l)	50	80
Pump	12V/8A	
Flow rate (l/min)	8	
Pressure (bar)	3	
Stirring	Hydraulic return tank	
Filtering	Double (suction and filling)	
Control	Constant pressure via by-pass	
Distributor	2 outputs	4 outputs

### Optional equipment

80 litre front tank equipment kit, RDE 204 boom equipment kit, RDR 408 equipment kit, remote jet equipment kit, spray shield, 3 nozzle rake for mixed spraying.
